Re: San Gabriel Valley Water Company, Application 05-08-021 and Investigation 06-03-001

Dear Mr. Larson:

The Division of Ratepayer Advocates joins in the City of Fontana and the Fontana Unified School District's concerns over the apparent unreported ex parte communications that have occurred in these proceedings concerning San Gabriel Valley Water Company. DRA also agrees that the revised preliminary draft should be withdrawn since it would be inappropriate for a decision-maker to base his or her decision on, or for that decision to be influenced by, an improper unreported contact that is not part of the record.

Sincerely,

Dana S. Appling
Director of the Division of Ratepayer Advocates
